ABOUT

TERRA ROSSA...

My Father was one of the last men to plough Puglia's rich red earth with a horse. Out of that first memory of his hands in the iron rich soil grew the seed of Terra Rossa.

At Terra Rossa, we want you to eat our beautifully cooked dishes and taste the 'Masseria life' where time slows down enough for you to relax and enjoy the homely taste of simple cooking... and of course with a glass of Puglian wine.

François Fracella
